Vocabulary

Vocabulary	Meaning
claim	A statement that can be checked against evidence.
source	The record or person providing information.
scope	The limits of what a statement or source covers.

Fictional official source

Museum school-visit notice, current term: "Student groups visit Wednesday from 10 a.m. to noon. Each group may bring up to 20 students. Teachers must book by Monday. Lunch is not provided."

Fictional AI summary to evaluate

"School groups visit Thursday from 10 a.m. to noon. Groups may bring up to 20 students, and lunch is included. Families can visit for free on Sunday."

Directions

Use only the supplied notice. Distinguish a contradiction from a detail the notice does not address. Explain written answers with source details. No web search is required.

Student assessment
