Vocabulary and task cards

Grades 8-10 | TaskCard Creator | Vocabulary and task cards

Vocabulary

Vocabulary	Meaning
private information	Information about a person that should not be shared without appropriate permission.
fictional	Invented for an activity rather than describing a real person.

Card 1 Study help

A learner wants practice questions. Option A: use an invented paragraph about a robot. Option B: upload a classmate's private grade report. Choose the safer option and explain.

Card 2 Password trouble

A friend suggests pasting your school password into a chatbot to troubleshoot a login. What should you do instead?

Card 3 Rewrite the prompt

Original: "Write a story about my classmate [real name], who lives at [home address]." Rewrite it using fictional details.

Card 4 Hidden clues

A learner removes a name but includes an exact home address and birth date. Has the learner removed all identifying details? Explain.

Individual response sheet

Grades 8-10 | TaskCard Creator | Individual response sheet

Name _____ Date _____

1. Choose the safer study-help option and explain.

2. Give a safe next step for the password problem.

3. Write a revised story prompt using invented details.

4. Explain which details can still identify someone.
