Vocabulary

Vocabulary	Meaning
supported	The available relevant evidence backs the claim.
contradicted	The relevant evidence conflicts with the claim.
not established	The available evidence does not settle the claim.

Follow the evidence map

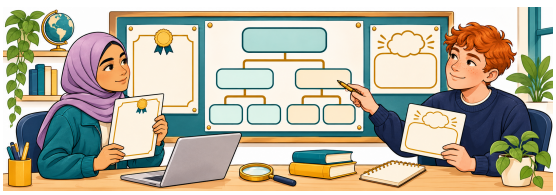

Start with one precise claim. Follow the branches below.

Fictional notice

Current school garden notice: "The garden club meets Tuesday at 3 p.m. in Room 12. Bring a notebook." No statement about fees appears.

Model: "The club meets Tuesday" is supported because the notice directly states Tuesday. The notice does not establish that every future meeting will follow this schedule.
